

# BOXWOOD PRUNING WORKSHOP

**Tuesday, November 17, 1-3 pm**

Learn the fundamentals of pruning boxwood from Extension faculty and Master Gardeners on the grounds of historic St. Ignatius Church. The workshop covers basic pruning methods and includes a hands-on pruning activity. Learn pruning techniques that reduce disease, stimulate growth and improve the shape of boxwood. Although the workshop focuses on boxwood, the concepts and techniques can be applied to many other landscape shrubs.

**What:** Boxwood Pruning Workshop

**When:** Tuesday, November 17, 2015 from 1 to 3 pm
