

Pruning Class

Where: Tawes State Office Building, CR-C1
When: Tuesday, January 10, 2017
Time: 2-4 PM
Cost: \$10
Instructor: Tyler Balderson, Master Arborist
Bartlett Tree Experts

COURSE DESCRIPTION: Review structural pruning on young trees to develop the natural character of the specific species.

Discuss winter care so trees are ready for spring.

Topics include: proper mulching, root collar excavations, and potential insects and diseases based upon species identified in the gardens.

Outdoors weather permitting, otherwise a slide show will be available.

Master Gardener Training - 2 Hours
